Dear Valued DFT Security Customer,

Please be advised that effective May 8, 2024, Doyle Security Systems has acquired the assets of DFT Security. Through this purchase, you will now become a valued customer of Doyle Security Systems.

Doyle Security Systems is a Rochester-based family owned and operated business that was established in 1919. They have the same long-standing reputation as DFT Security and share many of the same business values and philosophies. These experienced professionals will continue to carry on the tradition of providing you with the same quality of products and services, outstanding customer service and peace of mind that you have come to know and expect from DFT Security.

At this time, I would like to personally thank all of you, our valued customers, for placing your confidence and trust in us as your security system provider, helping to keep your homes and businesses safe and secure and the most precious of all, your families. We have been honored to serve you since our beginning as Comatel, Inc. on March 23, 1965, and are confident that you are now going to be in the same excellent hands with the Doyle Security Systems team.

Also, for those of you who have additional services with DFT Communications such as fiber optic Internet, voice, VoIP and wireless services and will remain a DFT Communications customer, we appreciate your continued business and together with Doyle Security, look forward to serving you for many years to come.

Lastly, I am happy to tell you that our DFT Security team, who are the same familiar people that you have come to know and trust for all of these years, will all now become part of the Doyle Security Systems team who I am confident will carry on the same great tradition of quality and service you've been accustomed to for so many years.

Thank you for your trust and loyalty and for allowing us to serve your security needs.

Sincerely,
