January 2025

Dear Notifier of New York inc. Customers

Pleased be advised that effective February 2025, Doyle Security Systems has acquired the Accounts of Notifier of New York inc. Through this purchase you will now become a valued Customer of Doyle Security Systems.

Doyle Security Systems is a Rochester based family owned and operated business that was established in 1919. They have the same long standing reputation as Notifier of New York inc. These experienced professionals will be able to provide you with the same quality of products and services, inspections and monitoring that you have come to expect from your Life Safety Systems provider.

At this time I would like to thank all of you for the years of loyalty, confidence and trust that you have shown Notifier of New York inc. We have been honored to serve you since our beginning in 1955, but now it is time for me to retire and move on.

Sincerely,

Peter K.Skvarch

We have recent information that you are no longer in business, or no longer pay employees. Due to this, we have closed your account for Unemployment Insurance purposes. If this is incorrect, or if you still have employees in New York, let us know immediately.

If you become liable for unemployment contributions in the future, you must notify us promptly.

For non-household employers, if you sold or transferred all or part of your business, answer the following four questions. (You do **not** need to reply if you did **not** sell or transfer your business.)

1. Did you sell ☐ All ☐ Part
2. If known, write the Unemployment Insurance Employer Registration Number, or Federal Identification Number of the employer who acquired your business:

3. The date of the transaction: _____
4. The name of the acquiring business: _____
5. The address of the acquiring business: _____

6. The phone number of the acquiring business: _____

Send your reply to the address above, or fax it to (518) 485-8010. For questions, write to the address above, or call and ask to speak to a Reviewing Examiner at (518) 457-2635.
