

After over 30 years in business, I have decided to say farewell to PACS Security. As I retire to focus on my health, I am confident that I'm leaving you in VERY good hands. I've chosen Doyle Security to continue providing your monitoring and service needs.

Founded in 1919, Doyle is family-owned and operates an award-winning 5 Diamond 24-hour UL Listed central monitoring station at their Rochester headquarters. With offices in Albany, Syracuse, Buffalo, Fishkill, Catskill, Olean, Watertown and Erie, PA, they have the staffing and experience to meet all of your security needs. I'm confident that you'll be happy with their service and professionalism.

You'll receive a welcome letter from Doyle soon that will provide you with additional information on the transition.

I want to thank you for your loyalty and support during that last few challenging years. Stay safe and healthy!

Sincerely,

Thomas Majka  
President  
PACS Security
